

PATRICIA ARRIBALZAGA
CAKES HAUTE COUTURE

Happy Birthday, Barbie!

Iconic doll Barbie turned 50 last year and to celebrate, Mattel commissioned Cakes Haute Couture to make her birthday cake. The cake took pride of place at a special celebration that took place in FERIA de Barcelona on 19th November.

Cake designer Patricia Arribalzaga designed a six-tiered cake covered in pink sugarpaste and edible glitter, decorated with Barbie dolls made entirely from sugar. The cake's flavour combination of pink champagne and blueberries was created exclusively for Barbie's celebration. Pearl and gold lustre dusts from Squires Kitchen were used for a special finishing touch, and the cake was accompanied by 650 glamorous cupcakes decorated with sugar flowers.
